

The Effortless Embellisher

Embroidery Machine - NS1150E

Advanced needle-threading system

With the push of a button, your needle is automatically threaded!

138 built-in embroidery designs

Including 11 fonts.

Large embroidery area

Including one 5" x 7" embroidery frame.

7.4" from needle to arm

The perfect amount of space to the right of the needle so you can easily manoeuvre your embroidery projects.

3.2" easy-view colour LCD touch screen display

Use the brightly lit, touch screen LCD display to easily manage all your embroidery functions.

Effortlessly embellish any of your projects with this affordable, feature-filled, mid-size professional embroidery machine. The NS1150E's 5" x 7" embroidery area and awesome range of included features make this the perfect machine for all embroidery enthusiasts. Choose from any of the 138 built-in embroidery designs (including 11 fonts), and embroider at a speed up to 650 stitches per minute. What's more, the NS1150E responds to your needs...automatically! With the push of a button, your needle is threaded; push another, and your thread is cut. Now that's time-saving convenience!
